

**Scott Nelson, the President of Security & Risk Management Group, LLC (SRMG), Serves as Webster University Keynote Speaker**

SAN PEDRO, Calif., May 11, 2009 — Scott Nelson, the president of SRMG, delivered the commencement address to graduates of Webster University's Los Angeles Air Force Base (AFB) campus on Friday, May 8, 2009. His keynote, titled "Journey on the Path," focused on the importance of maintaining hope and optimism during difficult times. "It is a world full of opportunities and challenges, and all you have to do is step up and engage. Optimism is contagious and healthy. Your glass is actually half full, so drink deep and drink often. Believe in your future because opportunity is an endless path – and endless opportunity in our great country is always yours for the taking."

Webster University is a worldwide institution committed to delivering high-quality learning experiences that transform students for global citizenship and individual excellence. Founded in 1915, it offers undergraduate and graduate degree programs to its 20,000-plus student population through five schools and colleges and a global network of more than 100 campuses.
