

FOR IMMEDIATE RELEASE

Security & Risk Management Group, LLC (SRMG) Establishes Strategic Agreement with YottaMark

Los Angeles, CA, October 10, 2006 – SRMG has established a strategic agreement with YottaMark to provide anti-counterfeiting and diversion consulting and investigative services.

YottaMark's solution - the YottaMark Authentication Platform™ - detects and deters counterfeiting, diversion, and fraud and allows manufacturers, brand protection personnel, law enforcement officials, and consumers to authenticate individual products anytime, anywhere. For more information, go to <http://www.yottamark.com/>.

In today's ever-changing, increasingly heightened security environment, your business assets and personal interests need protection as never before. SRMG, a consulting company specializing in independent global security and risk management services for corporations and individuals, can work with you to develop a customized solution that will successfully secure both your business and personal environments.

Visit our Web site at <http://www.srmg-link.com> to learn how SRMG can create a more secure environment for you, increasing your productivity, enhancing the shareholder value of your corporations, and improving the quality of both your business and family life through our proven *secur-link* process.
